

Accessibility Statement for Newlands Community Group

This is an accessibility statement from Newlands Community Group.

Measures to support accessibility.

The following measures are taken to ensure accessibility of this website and our other online outlets:

- Include accessibility as part of our mission statement.
- Include accessibility throughout our internal policies.
- Appoint an accessibility officer and/or ombudsperson.
- Provide continual accessibility training for our staff.
- Assign clear accessibility goals and responsibilities.
- Employ formal accessibility quality assurance methods.
- Include persons of all abilities within our events and online media presence

Conformance status

The Web Content Accessibility Guidelines (WCAG) defines requirements for designers and developers to improve accessibility for people with disabilities. It defines three levels of conformance: Level A, Level AA, and Level AAA. Newlands Community Group is not assessed with WCAG 2.1 level AA. Not assessed means that the content has not been evaluated or the evaluation results are not available.
